Download Everything in our known universe is made up of, or emits light and information, or energy and consciousness. That means your body is not only made up of these energies, but it is consistently and continuously sending and receiving light and information or energy and consciousness. The energy centers in your body are centers of information.

memorize the blessing, but also to learn and to understand the process. So I broke the blessing into five basic component parts and developed what I call the Simple Blessing Process. The first three components activate the blessing and define the energies; they make the blessing work the way we want it to. The next two are for us.

### **Spiritual Dowsing and the Simple Blessing Process**

has to offer you. In this article we will explore both sides of blessing, receiving and giving, and how both come out of a state of being blessing. We live in a world of â€œmore than enough.â€• Truly we are surrounded by blessing all of the time, but our perpetual fears, concerns, plans, and worries block recognition.

### **Blessing: Six Secrets to Receiving and Being More**

Energy Blessings from the Stars is an energy portal for receiving transformative initiations directly from spiritual masters in seven star systems: ARCTURUS: The blessing of hope through which all things become possible.
