Introduction. Speakers of American English generally use the present perfect tense (have/has + past participle) far less than speakers of British English. In spoken American English, it is very common to use the simple past tense as an alternative in situations where the present perfect would usually have been used in British English.

Differences in American and British English grammar

Liberal arts is the term given to an education based on classical antiquity. It is meant to be a practical education which develops mental capacity. It was designed in the late medieval period (12th/13th centuries) using ideas from Ancient Greek and Roman culture. The students were meant to be young gentlemen, that is, from respectable and important families.
