

ethnicity and nation building pdf

Nation-building is constructing or structuring a national identity using the power of the state. It is thus narrower than what Paul James calls "nation formation", the broad process through which nations come into being. Nation-building aims at the unification of the people within the state so that it remains politically stable and viable in the long run.

Nation-building - Wikipedia

An ethnic group or an ethnicity, is a category of people who identify with each other based on similarities such as common ancestry, language, history, society, culture or nation. Ethnicity is usually an inherited status based on the society in which one lives. Membership of an ethnic group tends to be defined by a shared cultural heritage, ancestry, origin myth, history, homeland, language or ...

What is Social Cohesion and Nation-Building?

Racism is the belief in the superiority of one race over another, which often results in discrimination and prejudice towards people based on their race or ethnicity. The use of the term "racism" does not easily fall under a single definition. The ideology underlying racism often includes the idea that humans can be subdivided into distinct groups that are different due to their social behavior ...
