Personal life is the course of an individual's life, especially when viewed as the sum of personal choices contributing to one's personal identity.. In ancient past, most people's time was limited by the need to meet necessities such as food and shelter and there was not much leisure time. People identified with their social role in their community, and engaged in jobs based on necessity rather ...

Emotional Design: Why We Love (or Hate) Everyday Things

Certain choices, as personal preferences, can be central to expressing one's concept of self-identity or values. In general, the more utilitarian an item, the less the choice says about a person's self-concept.
