UNDERSTANDING BUSINESS EXCELLENCE An awareness guidebook

Business communication is information sharing between people within and outside an organization that is performed for the commercial benefit of the organization. It can also be defined as relaying of information within a business by its people.. Overview. Business communication (or simply "communication," in a business context) encompasses topics such as marketing, brand management, customer ...

History. In 2002, NICTA won a competitive selection process to be established as Australia's national centre of excellence in Information and Communication Technology (ICT) research, under an Australian Government policy initiative to promote science and innovation called Backing Australia's Ability. The creation of the centre was intended to address a previously identified weakness in long ...
