We all know Sunbonnet Sue. Some of us love her, some of us have appliqued or quilted her and some even remember her from childhood days. Whether you know the pattern as the Sunbonnet Sue, or the Dutch doll, Bonnie Bonnet, or as the Sun Bonnet Babies....she's been made into quilts, painted on nursery walls, appliqued onto clothing and goes back to our grandmother's or even great-grandmother's time.

I have a confession to make. Of all the Singer straight stitch sewing machines, this model is my favorite. It is a straight stitch only, slant shaft sewing machine, and the it was the "lower end economy model" of the 400 series when the Singer 401 was the "top of the line", and the Singer 403 was the mid-range model. Each of these models have the same size, gear driven motors.
