Monogamy (/ m ɒˈnɒɡəmi / m ɒˈnɒɡ-ə-mee) is a form of relationship in which an individual has only one partner during their lifetime – alternately, only one partner at any one time (serial monogamy) – as compared to non-monogamy (e.g., polygamy or polyamory). The term is also applied to the social behavior of some animals, referring to the state of having only one mate at any ...

The traditional family structure in the United States is considered a family support system involving two married individuals providing care and stability for their biological offspring. However, this two-parent, nuclear family has become less prevalent, and alternative family forms have become more common. The family is created at birth and establishes ties across generations.
