Budget requests should be commensurate with project needs over a one year project period. While average DiaComp P&F awards are \$60,000 Total Costs for one year, well justified requests for support of up to \$100,000 Total Costs per year will be considered.

DiaComp :: Pilot and Feasibility Program

A technical feasibility study is an excellent tool for both troubleshooting and long-term planning. It can serve as a flowchart of how your products and services evolve and move through your business to physically reach your market.

Tips for Writing a Technical Feasibility Study
