The Municipal Fleet Managers Association began in an informal fashion in 1980. It originally consisted of a few governmental fleet managers meeting to discuss and decipher their computer generated reports.

## **Municipal Fleet Managers Association Home**

Line management refers to the management of employees who are directly involved in the production or delivery of products, goods and/or services. As the interface between an organisation and its front-line workforce, line management represents the lowest level of management within an organisational hierarchy (as distinct from top/executive/senior management and middle management).
