

fighting ships of the pdf

Jane's Fighting Ships is an annual reference book (also published online, on CD and microfiche) of information on all the world's warships arranged by nation, including information on ship's names, dimensions, armaments, silhouettes and photographs, etc. Its annual editions cover the warships used by the different national naval and paramilitary forces, and provide data on their characteristics.

Jane's Fighting Ships - Wikipedia

The Dictionary of American Naval Fighting Ships (DANFS for short) is the official reference work for the basic facts about ships used by the United States Navy.. When the writing project was developed the parameters for this series were designed to cover only commissioned US Navy ships with assigned names.
