Higher education in Alberta trains students in various academic and vocational specializations. Generally, youth attend school from kindergarten until grade twelve, at which time they have the option to continue into post secondary study. Students are required to meet the individual entrance requirements for programs offered at the institution of their choice.

Executive Summary. In its 10th annual survey of American public opinion, conducted in May and June of 2016, Education Next finds that the demise of school reform has been greatly exaggerated. Public support remains as high as ever for federally mandated testing, charter schools, tax credits to support private school choice, merit pay for teachers, and teacher tenure reform.
