This Food, Inc. Movie Guide | Questions | Worksheet (PG 2008) will transform the way your students think about the food industry. This movie guide is a great tool to get them thinking about their own choices and what part they can play in the future of the food industry.

### **Food, Inc. Movie Guide | Questions | Worksheet (PG 2008)**

Third, food has been used as a symbol or metaphor to make a dramatic point or to reveal an aspect of an actor's character, mood or thought process. The final chapter is dedicated exclusively to films released theatrically since the late 1980s--like Tampopo, Babette's Feast and Like Water for Chocolate--that treat food as the star of the film, thus creating food films as a new genre.

the movie business. A huge chunk of what you spend on a ticket goes to the Hollywood studio that made the movie. This makes sense, since studios fund the production, hire the stars, and pay for the advertising that draws crowds to the movies in the first place. But that often doesn't leave much cash for the theater, which has its own costs.
