First, the mechanics of printing. This book is a lightly edited transcription of public domain language training material. The original text, which is available for free as a pdf file on the web, is a copy of an old manual government typescript.

Amazon.com: Mastering German (Macmillan Master

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.
