Background. Since the Supreme Court handed down its 1973 decisions in Roe v. Wade and Doe v. Bolton, states have constructed a lattice work of abortion law, codifying, regulating and limiting whether, when and under what circumstances a woman may obtain an abortion. The following table highlights the major provisions of these state laws.

### **An Overview of Abortion Laws | Guttmacher Institute**

Abortion is the ending of pregnancy due to removing an embryo or fetus before it can survive outside the uterus. An abortion that occurs spontaneously is also known as a miscarriage. When deliberate steps are taken to end a pregnancy, it is called an induced abortion, or less frequently an "induced miscarriage". The word abortion is often used to mean only induced abortions.

The Abortion Rights Coalition of Canada (ARCC) is the only nation-wide political pro-choice group devoted to ensuring abortion rights and access. We formed in October 2005 to carry out political and educational work to support reproductive rights and health.

### **Abortion Rights Coalition of Canada**

Abortion-rights movements, also referred to as pro-choice movements, advocate for legal access to induced abortion services. The issue of induced abortion remains divisive in public life, with recurring arguments to liberalize or to restrict access to legal abortion services. Abortion-rights supporters themselves are frequently divided as to the types of abortion services that should be ...
