Plot. The story deals with the literary world that Gissing himself had experienced. Its title refers to the London street, Grub Street, which in the 18th century became synonymous with hack literature; by Gissing's time, Grub Street itself no longer existed, though hack-writing certainly did. Its two central characters are a sharply contrasted pair of writers: Edwin Reardon, a novelist of some ...

A botfly, also written bot fly, bott fly or bot-fly in various combinations, is any fly in the family Oestridae. Their lifecycles vary greatly according to species, but the larvae of all species are internal parasites of mammals. Largely according to species, they also are known variously as warble flies, heel flies, and gadflies. The larvae of some species grow in the flesh of their hosts ...
