### **Generating Learning Opportunities Family Values With**

Family literacy is based on the most ancient of educational traditions: intergenerational learning<sup>™</sup> which is rooted in all cultures (UNESCO, 2015, p7). Through family literacy and learning, adults and children are presented with the opportunity to become independent, proactive lifelong learners<sup>™</sup> (UNESCO, 2015, p7).

and personal development learning opportunities. Everything we do is based on family values, which influence academic achievement and can enhance the quality of life. We believe that when individuals and organizations work together to improve access to education and provide basic family supports, communities flourish and learners achieve more.
